11 Drone (single notes or double stops)

15 Shuffle (double stops or single notes) Double Shuffle, accented on 2 & 4

Chop (with chord tones or percussive only)

You can also play the melody and harmonize with yourself as you sing. Remember to coordinate bow direction and breathing - try to take a breath on up-bows (even if it's a continuation of an up-bow during which you were singing) or up-beats.
