In our "slow jam" hour together, I'll lead the group in this playlist of twelve great tunes, playing slooow versions of each one two or three times. Participants on the Zoom screen will help me set the slow tempos so no player is left behind! Most of the tunes come from the **52 Traditional Tunes from Fiddle Hell Vol. 1 & 2** collections. But I've chosen four tunes that are personal favorites of mine as well (marked with *) – they are *all* tunes that are commonly played at Irish Trad sessions! I'll take some quick Q&A concerning playing in Irish sessions if you have them. (And there's a few extra tunes in case we have time left over.) Be ready for a fun tune-filled Irish Trad Slow Jam with me!!
