Annlaug Børsheim?

ABCB

Some play this tune as ABAB (no C part, which is an alternative A part)

Omit the dotted quarter (D3) 'pickup note' to start the tune. End with an additional dotted quarter note (D3)

Attributed to Norwegian folk musician Annlaug Børsheim (Hardanger fiddle, guitar, voice). Hear her play it on Hardanger fiddle, with Rannveig Djønne, accordion, at a FolkFriends store concert in Hamburg, Germany. <https://youtu.be/KsMniutrofl>
